

# Accept private cards with your existing POS.

## Pilot Pro

**Create customer loyalty and accept private card payments with ease.**

- Intuitive ATM-style interface
- Easy to read backlit display
- Ergonomic keys and bold menu prompts
- Promotes minimal clerk training and quicker transactions

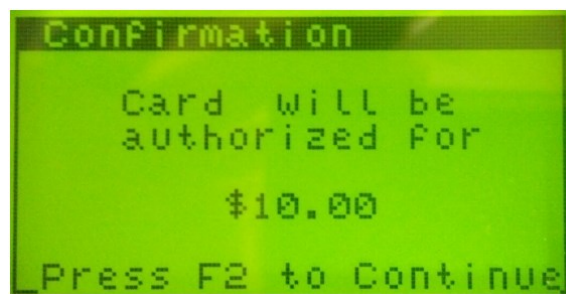

**Optional Configurations (see details below):**

### Pilot Pro POS

Allows direct point of sale functionality with our Pioneer Card Processor. Ability to take private cards with ease at the counter.

### Pilot Pro SVC

The Stored Value Card configuration allows the store to easily activate, recharge and do a balance look up of private gift cards. No transaction fees and creates customer loyalty.
