take control of your

eSite

- We have a wide range of intuitive products so you can configure your site how you want.
- The heart of every eSite is the Site Controller.

IBM SurePOS 500

Durable hardware paired with our easy-to-use software. Command a fueling station, or run a full-service convenience store with ease.

Pilot Terminal

Low-cost high-value Point of Sale terminal for fueling stations without convenience stores.

Pedestal

One card reader to control all dispensers. Easy to use in attended or unattended site configurations.

Network Switch

Reliable D Link gigabyte switch.

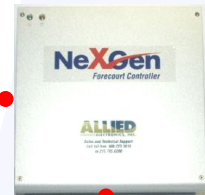

Site Controller

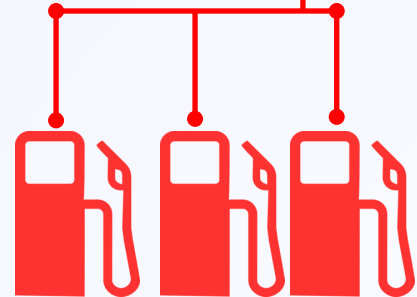

Robust hardware and intuitive software. Take complete control of your site with our DataManager software.

Forecourt Controller

D Box

Dispensers

DataManager

- DataManager application included in all eSites
- Set-up and manage your own fleet cards
- Bill your customers on your own timeline
- Run intuitive reports
- Manage convenience store items
